

Changes to the Constitution

Vice-President Liam De Feu

The proposed changes are

- 1) Article 12 which governs the powers and duties of the Executive Council and its members.
- 2) Article 13 which deals with the administration and conducting of the General Assembly

Regarding Article 12, the main proposals relate to

- The appointment by the President of a Member- at-Large Council member (non- voting) and the appointment, as a non-voting ex-officio Council member, of past Presidents of the Association.
- Appointment of replacement officers when a vacancy arises between General Assemblies. Such appointments may be made by the President and such appointees have no voting rights until their appointment is confirmed at the subsequent General Assembly.

Regarding Article 13, the proposed changes relate to the convening and holding of a General Assembly using electronic media.
